

Dear Parents,

We are trying to make our website more attractive to the public. One way we are trying to do this is by putting testimonials on there. If anyone is interested in writing a testimonial about your experience here at Open Arms, please turn it in at the front desk. We also put pictures of your children on the website and on facebook, pass the word to visit both pages to share the pictures with family and friends. Don't forget to "Like" our page on facebook, while you are there. We also communicate through Shutterfly Share. Your child's teacher will send you an invite. Please be sure to accept it. If you do not receive it, please let the teacher know. This is the best place to get classroom communication.

Thank you to everyone in advance for your help.
